MEASUREMENT TECHNOLOGY FOR THE LABORATORY

PERFECT COMPOSITION –
THE SURE RECIPE FOR GOOD QUALITY!

KERN, the certified specialist for weighing and measuring technology, is Germany‘s oldest precision scale factory. By focusing on quality and developing customer-oriented products, KERN has stood for precision, service and quality worldwide since 1844. Our product range includes an enormously wide range of precision and analytical balances, moisture analyzers, microscopes and refractometers, which can be supplemented on request with the appropriate calibration or verification certificate. The products are available at lightning speed from our large central warehouse in the middle of Europe. Are you looking for customised system solutions for yourself or your customers? Our sales and service team will be happy to support you.

Precision, reliability, quality.

That‘s what we stand for!
